

## ProDevice DGX02 shredder

THE PRODEVICE DGX02 ENSURES COMPLIANCE WITH THE MANDATES, REGULATIONS AND SECURITY GUIDELINES

**ISO/IEC 21964**

**DIN66399**

- H-5 for hard drives
- O-2 for optical data media
- T-3 for magnetic tape media
- E-2 for electronic data media

**DMS 2008 / level C for physical HDD destruction**

Destroying data carriers with the ProDevice DGX02 device causes disks, tapes, tablets or mobile phones to be crushed into small pieces. DGX02 is a perfect solution for companies and institutions that care for the highest standards related to the protection of confidential data, defined by GDPR.

Mobile, automatic shredder ProDevice DGX02 (Data Grinder Xtreme) is the latest generation device for the final, physical destruction of all types of data media: streamers tapes, floppy disks, optical disks, 2.5" and 3.5" hard drives, flash media and SSDs, mobiles, tablets, laptops..

### FEATURES

- Safety of use due to the „closed“ housing of the device.
- Integrated emergency switch.
- Full mobility and the possibility of transporting with a delivery vehicle.
- Powerful engine adapted for continuous work.
- Simple and intuitive control system - integrated control automation.
- Gravity system for discharging damaged materials to prevent blocking the device.
- A durable plastic container (sealed) with a trolley crushed data carriers come directly to it.

V.DGX02.3

## TECHNICAL SPECIFICATION

Engine power	5,5 kW (installation of a more powerful unit possible at an additional cost)
Power supply	400 V
Performance	SSD up to 300 pieces/h HDD 2,5" up to 200 pieces/h HDD 3,5" up to 120 pieces/h Server HDD up to 70 pieces/h
Shred size	15 mm
Auto start, reverse and stop	Yes
Thermal/ overload protection	Yes
Auto stop on jamming	Yes
Duty cycle	Continuous
Safety features	Yes (door open & emergency button)
Bin capacity	250 kg
Bin dimensions	800 mm x 600 mm x 450 mm
Acoustic level	55 dB
Mobility	<ul style="list-style-type: none"> <li>• Stand-alone variant on rubber stabilizing legs - a pallet truck is used for transport purposes</li> <li>• Mobile version with dedicated transport wheels equipped with brakes.</li> </ul>
Shredder dimensions	880 mm x 1000 mm x 1320 mm
Weight	600 kg
Warranty	2 years (possible warranty extension)

### ProDevice

ProDevice is a leader of innovative technologies on the market for destroying information from electronic data carriers. The most modern R&D center of this type in the world, is the place of designing, testing and producing all brand devices. The cooperation of qualified engineers with the most outstanding scientific units in the country results in the implementation of the most advanced development projects related to modern technologies in the field of data removal. ProDevice products are currently sold in more than 30 countries around the world through an extensive network of Partners.

Kuwait Computer Services is one of the Leading IT & Security Systems Integrator in Kuwait, providing Cutting Edge Technologies & End to End Solutions. We are the authorized distributor of ProDevice Systems and Services in Kuwait. For enquiries please contact our sales numbers below or email us at [sales@kcs.com.kw](mailto:sales@kcs.com.kw).
