

THE PRODEVICE MMD+360 ENSURES COMPLIANCE WITH THE MANDATES, REGULATIONS AND SECURITY GUIDELINES

- ! DIN66399: H3
- ! ISO/IEC 21964
- ! DMS 2008: level A for physical HDD destruction

Destroying data media with the ProDevice MMD360+ device causes disks, tapes, tablets or cell phones to be deformed and damaged - information stored on them can't be recovered. So, MMD360+ is a perfect solution for companies and institutions that care for the highest standards related to the protection of confidential data, defined by GDPR.

ProDevice MMD+360 destroyer

The manual media destroyer ProDevice MMD360+ is a perfect solution to securely destroy all your 2,5" and 3,5" hard drives, magnetic tapes, SSD disks, tablets and mobile phones. Designed for companies and institutions which see and appreciate the need for effective data removal.

The unit is manually operated and doesn't require electricity and physical strength for operation. Just lower the handle and a steel pin will perforate the hard drive. The base of destroyer is very stable and is equipped with an anti-skidding gum.

This device is an interesting alternative for fully-automated destroyers. Compact design and light weight make this destroyer a comfortable device in the office. The main features are durability and compatibility with data protection standards reliability. The device is made of high-quality steel, used in the production of weapons. As a result, the ProDevice MMD360 + destroyer is extremely resistant to damage.

TECHNICAL SPECIFICATION

- ! Dimensions (with handle): 84 cm × 87cm × 34 cm
- ! Weight without media destruction adapter: 35 kg
- ! Weight with media destruction adapter: 39 kg
- ! Pressure force: up to 4,5 tons
- ! Warranty: 5 years

An optional flash media destruction adapter is available, enabling perforation in several places at the same time (up to 23 replaceable steel pins).

ProDevice

ProDevice is a leader of innovative technologies on the market for destroying information from electronic data carriers. The most modern R&D center of this type in the world, is the place of designing, testing and producing all brand devices. The cooperation of qualified engineers with the most outstanding scientific units in the country results in the implementation of the most advanced development projects related to modern technologies in the field of data removal. ProDevice products are currently sold in more than 30 countries around the world through an extensive network of Partners.

Kuwait Computer Services is one of the Leading IT & Security Systems Integrator in Kuwait, providing Cutting Edge Technologies & End to End Solutions. We are the authorized distributor of ProDevice Systems and Services in Kuwait. For enquiries please contact our sales numbers below or email us at sales@kcs.com.kw.
