

ProDevice OMS900 shredder

THE PRODEVICE OMS900 SHREDDER ENSURES COMPLIANCE WITH THE MANDATES, REGULATIONS AND SECURITY GUIDELINES

ISO/IEC 21964

DIN66399

- H 3 / H4 for hard drives with magnetic data media (two entries)
- E-2 for electronic data media

DMS 2008 / level C for physical HDD destruction

Destroying data carriers with the ProDevice OMS900 device causes disks, tapes or mobile phones to be crushed into small pieces - information stored on them can't be recovered. OMS900 is a perfect solution for companies and institutions that care for the highest standards related to the protection of confidential data, defined by GDPR.

V.OMS900.0

The ProDevice OMS900 automatic shredder is a professional device for the physical destruction of data carriers, such as server drives, 2.5 "and 3.5" hard drives, tablets and mobile phones, SSDs, LTO and DDS tapes, CDs, DVD discs, USB and memory cards.

ProDevice OMS900 is the perfect solution for all organizations, companies or departments with high volume of sensitive data or data with high need of protection. Powerful engine and structure make ProDevice OMS900 the ideal device for the secure destruction of server drives.

FEATURES

- Patented cleaning cutter system with dedicated cleaning function.
- For prolonged usage and sharpness, the cutters are made of special hardened steel.
- Solid metal gears.
- Powerful engine (motor power 5HP, 3,75 kW) for the secure destruction of server drives.
- Easy-to-use with double entry for different data storage media.
- Automatic reverse eliminates material jamming.
- The emergency stop button ensures the safety of the operator.
- Self-diagnosis reader.
- Notification when the container for shredded media is full.
- Available with dedicated recording system (4 cameras) – optional.

ProDevice OMS900 shredder

TECHNICAL SPECIFICATION

Engine power	3.75 kW
Power supply	3 phase, 380V, 60H
Performance	5-6 media per minute
Shred size	40 mm x 40 mm~80 mm / 5 mm x 40 mm~80 mm
Entry width	140 mm / 90 mm
Daily usage (times)	8 hours
Auto start, reverse and stop	Yes
Thermal/ overload protection	Yes
Auto stop on jamming	Yes
Safety features	Yes (door open & emergency buton)
Acoustic level at idling speed	55 dB
Operation displayer type	Multifunctional touch screen LED
Mobility	Casters (with 2 lockers)
Shredder dimensions	800 mm x 1120 mm x 1232 mm
Weight	900 kg
Warranty	1 year (possible warranty extension)

ProDevice

ProDevice is a leader of innovative technologies on the market for destroying information from electronic data carriers. The most modern R&D center of this type in the world, is the place of designing, testing and producing all brand devices. The cooperation of qualified engineers with the most outstanding scientific units in the country results in the implementation of the most advanced development projects related to modern technologies in the field of data removal. ProDevice products are currently sold in more than 30 countries around the world through an extensive network of Partners.

Kuwait Computer Services is one of the Leading IT & Security Systems Integrator in Kuwait, providing Cutting Edge Technologies & End to End Solutions. We are the authorized distributor of ProDevice Systems and Services in Kuwait. For enquiries please contact our sales numbers below or email us at sales@kcs.com.kw.
